

Make some notes of things you can do to draw closer to God on the slips of paper on the fridge above.

WHAT IS THE BEST THING FOR ME... AND OTHERS?

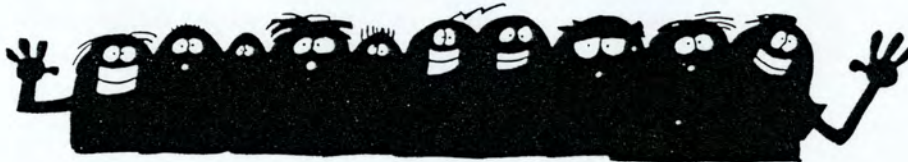

Some decisions are hard to make because things aren't always black and white, good or bad. What's a good question to ask yourself when you're making plans? (Colossians 3:23)

"We then that are strong ought to bear the infirmities of the weak, and not to please ourselves. Romans 15:1"

Who is strong in this verse? _____

Who is weak? _____

What are the infirmities? _____

Romans 15:2 tells us that each of us should please his neighbor for his good, to build him up. What are some ways you can encourage people to stay with the Lord and draw closer to Him?

What are some sacrifices you might have to make by putting someone else's needs ahead of what you want?

Are you getting HOTTER OR COLDER?

Remember the game where something is hidden in a room and those looking for the object are told they are hot when they are close to finding it and cold when they are further away? The choices you make in life will either bring you closer to God or pull you away from him.

“And thou shalt do that which is right and good in the sight of the Lord... Deuteronomy 6:18” How do you know what is right and good in the sight of God?

What does the next part of Deuteronomy 6:18 mean when it says “that it may be well with thee”?

List some things that you know draw you closer to God and why.
